Remember what it looked like when 2,000 children, youth, and adults set out to serve the overlooked and forgotten of Katy, TX, for one morning last July? Imagine the lives that were touched, the help that was given, and the difference that was made when an army of people served together. Imagine how God used us, moved in Katy, and worked in and through Grace Fellowship.

July 26, 2009 will mark the second annual Church Has Left the Building. There will be no services held on the Grace Campus; no KIDS Place, no Junior High or High School activities. Instead, we will spread out throughout our community, serving with our brothers and sisters to aid our neighbors in need.
