CHLB22 LEADER'S GUIDE

Grace Fellowship Leaders,

We are so very thankful for you and your faithful leadership as we all go out into our local community to serve and glorify God during CHLB22! You are an essential part of this outreach and there is no way we could do this without you!

*Michael Farr
Director, Local Missions*

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. -- 1 Peter 4:10 ESV

CHLB22 QUICK FACTS

Who?

Everyone at Grace Fellowship is encouraged to serve with us at CHLB22! You can lead your small group or even organize a small team from your large group.

What?

Our church doors will be closed, and we will be serving as the **Hands and Feet of Jesus** in our community. Each team is encouraged to find a neighborhood or community service project (see a list of ideas below) or adopt a project off the CHLB22 Project Adoption List. You should target a project that will take about three to four hours for your team to complete.

Why?

To glorify God and share His love, mercy and grace in our Community!

Jesus commanded the following of us: "... *let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.*" -- Matthew 5:16 ESV

When?

Please serve on the morning of Sunday, October 23, 2022. As Team Leader, you will set specific times for the project you've selected.

Where?

Anywhere in our local community.

Resources?

Teams can access funds up to \$650 for their service projects.

Childcare?

Will be available from 7:30 am to 2:30 pm on our church campus for children 8 weeks through 4 years. Advance registration required by Sunday, October 16, 2022. Click [HERE](#) to complete childcare registration form.

Celebration?

Each team should plan some time to celebrate and glorify God together after your service project is completed.

WHY YOUR GROUP SHOULD SERVE TOGETHER

Small groups benefit from the occasional serving opportunity together.

Here's why:

1. IT'S BONDING.

Groups that serve together often build tighter connections with each other. By serving together, you create shared memories and experiences that you celebrate (and even laugh about).

2. IT'S BIBLICAL.

Groups that show concern for those in need emulate the ministry of Jesus, who met spiritual and physical needs.

3. IT'S BOLSTERING.

Serving strengthens everyone as you step outside your comfort zones and learn to help others. Service is a muscle that needs to be developed and exercised.

4. IT'S BENEFICIAL.

Groups that do the same thing over and over atrophy. Groups that mix up the format of the group stay healthier longer.

Note that our preference is for you to serve as a small group together in one of these ways:

- A project that you develop on your own (**most meaningful and impactful**)
- Adopting one of the projects on our list (from Care Ministry and local non-profits)
- Participating in a large group project

Please note that the Feed the Hunger project is being sponsored by our Connections Ministry to help connect new folks at Grace so please don't sign up for those slots.

CHLB22 PROCESS AND TIMELINE

Step 1 Form your Team (August)

Network in your large group, agree with your small group and/or recruit your friends and family to form a team that will serve at CHLB22!

Step 2 Discuss Service Projects (August)

Talk about where the Holy Spirit is calling your team to serve on this day! Be a blessing to someone in need of a hand! See CHLB22 Project Adoption List section below that lists ideas you can consider and also includes, at the bottom, a way to adopt a project.

Step 3 Scope your Project (August - September)

Outline the scope of work and estimate your project costs. Define what equipment and/or supplies you will need to complete your service project to help determine the budget and time you will need. We recommend projects that can be completed in 3-4 hours.

Step 4 Nominate/Adopt a Project (August - September)

Beginning on August 1st, you will be able to nominate your project at [**PROJECT NOMINATIONS.**](#) Missions Ministry will provide up to \$650 for each approved project.

Step 5 Detailed Planning (September - October)

After getting back the approval from our CHLB22 planning team, work out the details on when you will start and what everyone needs to bring. We have lots of equipment at the church you can borrow. Also purchase the required materials, get someone to bring snacks/drinks and assign initial responsibilities so that the project will go smoothly. For more ideas see the section below that discusses how to plan an excellent group project. Remember to register by October 16 for those needing childcare (see above).

Step 6 Execute your project (October 23)

Start your project with a prayer and a safety briefing! Have fun and enjoy fellowship with your team! Share your faith with those you are serving!

Step 7 Glorify God together (October 23)

Celebrate and glorify God together! Send pictures of your team during your project AND a group picture of your team AND a group picture with the person you are serving!

Step 8 Project Wrap Up (by October 31)

Return equipment and submit your receipts for reimbursement to the church office c/o Grace Fellowship Church, Attn: Local Missions, 2655 S Mason Rd, Katy TX 77450.

CHLB22 PROJECT IDEA LIST

There are many ways that your group can be a blessing in our local community. We offer the following brief list to kindle your thoughts on possible service projects for your team:

- Help an elderly, widow or single parent neighbor – landscaping, organizing, repairing their home or fence, spring cleaning, tree trimming, garden planting, pressure washing, etc.
- Assist a veteran or military family with one of the ideas listed above as a way of thanking them for their service to our community and/or country.
- Bake some goodies for our police officers, firefighters, EMS staff or teachers -- thank them for their wonderful service to our community.
- Look for a neighbor who might be having issues with their job or health and ask how you can help.
- Organize a clothing or food drive in your neighborhood for our local ministry partners
- Lead a vacation bible school for children or hold a picnic and share your faith at a picnic area in your neighborhood.
- Prepare “blessing bags” for a community partner – snack or hygiene bags for the homeless, essentials for expecting mothers, welcome kits for foster children, etc.
- Offer free car washes, prayer and conversation.
- Do a project at a Katy ISD Title 1 (under-resourced) school – repair fencing, beautify grounds, repair or paint playground equipment, etc.
- Volunteer at a local senior citizen home – play games, give manicures, offer a music program, hold Sunday service/prayer, organize a meal or snacks, etc.

If you can't come up with a project idea on your own don't worry! Our Local Missions ministry will also have a list of projects that your team can adopt (email CHLB22@WhatIsGrace.org or call Kip Thomson at 713.416.7761.

PLAN AN EXCELLENT GROUP SERVING OPPORTUNITY

Groups that have a great experience serving together are more likely to repeat it. Here are some tips for planning an excellent serving opportunity:

1. SET THE EXPECTATIONS.

How many hours? What type of work? Who will be involved? Where will we go? Will you meet and ride together, or just meet at the location? What time will you meet? When will you be finished? Answer these questions ahead of time. Ambiguity is the enemy of excellence.

2. INVOLVE EVERYONE.

Serving as a spectator is no fun, so make sure that everyone has a chance to participate as their gifts and abilities allow.

3. LOOK FOR A FIT.

With the time allowed and the abilities represented in the group, what are the opportunities available? If everyone is “all thumbs,” helping build a Habitat for Humanity House is out but sorting donations at Clothed by Faith might be perfect.

4. BE FLEXIBLE.

Inevitably things change or differ from expectations, so instruct the group to accept those changes with grace.

5. PRAY.

Before you begin, circle up with your group and pray.

6. CELEBRATE TOGETHER.

After the opportunity is over, go out for lunch or dinner or coffee and celebrate the time of service. Alternatively, celebrate and debrief during your next group meeting.
